

Link Between Early Receipts & ISO 22000:2018

Area	ISO 22000 Clause	Relevance
Storage Overload / Spoilage	8.5.2, 8.6	Control of externally sourced materials and product release
Hazards due to aging stock	HACCP Principle 1	Risk of contamination or degradation
Traceability Challenges	8.4	Conflicts with FIFO/ FEFO and batch tracking
Operational Risk	6.1	Early receipts as a systemic supply chain risk
Monitoring burden	7.1.5	Increased effort to ensure safe storage
Corrective action	10.2	Deviations from planning or food safety controls
